

**RONALD L. BEHNER, D.D.S.
JULIAN W. BEHNER, D.M.D.**

From a simple filling to a complex cosmetic makeover, Dr. Ron Behner and his son Dr. Julian Behner are committed to excellence in every aspect of their work. They believe in giving everyone technically advanced dentistry with personalized care and attention. "We and our well trained staff have an agreement to smile a lot and have fun doing dentistry. This makes our office a comfortable and friendly place to visit."

The Behners enjoy the satisfaction of doing a lot of cosmetic dentistry. "After taking care of a person's immediate dental needs, a thorough exam is done to make sure the mouth is healthy. For cosmetic possibilities, we do a comprehensive evaluation of options available. This may be as simple as basic tooth whitening to a full cosmetic makeover. We let the patient decide. A large collection of before and after photos of similar cases completed in our office is used to illustrate the likely result which can be expected."

Dr. Ronald Behner earned his Doctor of Dental Surgery degree from Emory University School of Dentistry. He has been awarded fellowship in the Academy of General Dentistry and is a member of the Florida Academy of Cosmetic Dentistry.

Dr. Julian Behner received his Doctor of Dental Medicine degree from the University of Florida College of Dentistry and served as clinical instructor for the Department of Prosthodontics after graduation.

Both doctors are members of the American Dental Association, the

Florida Dental Association, the Dental Society of Greater Orlando, the Florida Academy of Cosmetic Dentistry, and the Academy of General Dentistry. One of the honors they are most proud of is that both father and son had the privilege of being inducted into the Omicron Kappa Upsilon honor society in dental school.

The Behners take pride in the trust of their patients. Patients often express appreciation for the care they have received by sending their family and friends. The doctors' reply is, "We never take that trust for granted. We always expect to earn it."
